New This Year: Pre-Travel Development Academy for U8 Boys and Girls

As part of our ongoing commitment to developing players in age-appropriate programs, the BHYSC is implementing a new Pre-Travel Development Academy for all players starting at age U8 (born on or after 8/1/01). Boys and girls entering this program will receive instruction from professional trainers from UK Elite, and play small-sided games in Berkeley Heights under the supervision of trainers and volunteer coaches. Fees will be approximately \$200 for the **full** year (two seasons). **All players will be accepted into this program; however, tryouts are still required to place players on to the correct team.** Players born after July 31, 2002 may play in the PTDA if they will be in second grade during the 2009-2010 school year. Further information will be available for parents at tryouts.

About Travel Soccer

BHYSC teams from U9 to U19 play in the Mid-New Jersey Youth Soccer Association or the Inter-County Youth Soccer League. Teams play both a fall and a spring season of 10 games each; half of the games are in other towns. To ensure evenly matched games, BHYSC teams may travel as far away as Princeton, Frenchtown, or Union Beach. Fees are partially based on league dues which have not yet been published for next season; as an indication, last year's fee was \$290 for a **full** year (both Spring and Fall seasons). U8 fees are less (see above). U9 and above also require a \$65 uniform kit, which may be worn in subsequent years.
